PRESIDENT: Senator Luedtke.

SPEAKER LUEDTKE: Mr. President, an announcement. I've conferred with Senator Warner and Senator Warner has kindly agreed to allow Senator Barnett and the Judiciary Committee to try to finish up the movement of the other bills which are companion bills to LB 38 right after we come back. Now we are having... I might add we wanted to start at 1:30, however, we have one committee that will be out. How many others, Mr. Clerk, will be gone? I think then we will proceed; we'll try to get started at 1:30. I'll move to recess until 1:30.

PRESIDENT: 1:30 that is. 1:34, Senator Chambers...we can't amend it. It's not amendable. The question is recess until 1:30. All in favor say aye, contrary say nay. We are recessed.
